INSafe Consultation

Consultation services are made available to Hoosier employers at **no cost** through federal and state funds. **No fines or penalties** will be levied for any safety or health hazards identified during the consultation and your request for consultation **will not initiate an IOSHA inspection**. Consultations are prioritized, giving small and high-hazard employers priority scheduling. Consultation services are **confidential** and conducted at no charge to the employer. A complete and confidential report summarizing findings and suggestions for remedial measures for identified hazards will be provided to the employer.

IOSHA enforcement. Failure to correct serious hazards in the correction time period will result in a referral to IOSHA enforcement.

Rewarding a Commitment to Safety and Health Excellence
Indiana's Safety and Health Achievement Recognition Program (INSHARP) recognizes employers that have elements of effective safety and health management systems in place. INSHARP recognition is an achievement of status that sets participating Hoosier employers apart from their business peers as well as makes good business sense. For additional information on INSHARP, please visit INSHARP on the Internet at: <http://www.in.gov/labor/insafe/insharp.html>.

Employer's Obligation

The employer is required to immediately eliminate any imminent danger and correct any serious safety and health conditions within the established period of time. The INSafe consultant will work with the employer to determine an appropriate correction time period. Failure to immediately correct imminent danger hazards will result in a referral to
